Sprint 3 Report

Actions to stop doing:

- These are the activities or actions the team determined they should stop doing. This is the answer to the question, "What things should we stop doing?" The items should take the form of a brief description of what the team wants to stop doing, followed by a brief explanation. If there are no items, this section should describe why the team is completely satisfied with their current process.
 - This sprint we've started doing a lot of Scrum meetings online because of members being out of town. We should have more meetings in person back to where we were in previous sprints.

Actions to start doing:

- These are the activities or actions the team would like to start doing to improve their development process. This is the answer to the question, "What should we start doing?" The items should take the form of a brief description of what the team wants to start doing, followed by a brief explanation.
 - Start doing our in person work sessions again
 - Update scrum board during standup meetings
 - Update Burnup chart during standup meetings

Actions to keep doing:

- This is the answer to the question, "What is working well that we should continue to do?" The items should take the form of a brief description of what the team wants to start doing, followed by a brief explanation.
