Agreements & Def of Done & Style Guide

Team Agreements:

- Meet MWF for scrum meeting @10:45-11am
- Meet MWF for group working sessions @11am-12pm
- If you need to be on zoom for any particular reason, please let everyone know ahead of time by at least 1 hour
- Main communication will be through discord group chat
- If it is an emergency, then message in the text group chat
- If you are stuck on a task, immediately ask for help. Someone may know a solution right away

Definition of Done:

- A feature must have all functions outlined by its user story specification
- The feature must work for all test cases including edge cases (manual testing)
- The code for the feature must conform to the style specification
- The feature must be merged into the main branch without any conflicts
- The feature must be integrated into the app without consequences to other features and such that it is of the same visual style as the other features
